Commissioner for Patents

Information Disclosure Statement

The information disclosure statement filed 2 September 2009 fails to comply with the provisions of 37 CFR 1.97, 1.98 and MPEP § 609 because it fails under the 37 CFR 1.97(c) requirement. In particular, Applicant fails to state "that each item of information contained in the information disclosure statement was first cited in any communication from a foreign patent office in a counterpart foreign application...". Applicant states that the information was first cited in a communication from a foreign patent office; therefore, this information may have been contained in a second or subsequent action and not a first action. It has been placed in the application file, but the information referred to therein has not been considered as to the merits. Applicant is advised that the date of any re-submission of any item of information contained in this information disclosure statement or the submission of any missing element(s) will be the date of submission for purposes of determining compliance with the requirements based on the time of filing the statement, including all certification requirements for statements under 37 CFR 1.97(e). See MPEP § 609.05(a)..
